

February 1, 2012

Dear Parents,

What beautiful, crisp, wintry weather we are enjoying here in southern California! We are also enjoying a beautiful atmosphere here at school as we observe the joy and laughter of our students in and around school. The children enjoy playing hard and having fun with each other. They also enjoy their time in class even when they are challenged to be good scholars, make good use of their time and remember to get parent signatures nightly. This is beautiful to behold! In these times, when so many negatives things are happening to children, we are blessed to have a school where our children are happy and can really enjoy their time at school without fear. Thank you for entrusting your precious children to us.

I can hardly believe that we are half way through the school year. Our students are growing academically and spiritually. Thank you for your partnership in the wonderful adventure of educating children. We will continue our task of producing scholars who communicate effectively, think critically and produce quality projects and class work. What a joy it is to sit in on their Bible classes and listen to them discuss Biblical truths and relate the scripture principles to real life.

We are excited as the renovation of our auditorium is getting closer to completion! With the completion, we will be able to return to our summer program. Next year, we will be able to offer our "After School Structured Program" and return to our full calendar of events, i.e. Parent Nights, Family Nights, Science Fair, Grandparent Day, and others.

With spring, comes planning time. As we look forward to planning time, we invite you to give us some input. We have attached a survey to this letter. Please take a few reflective moments, complete the survey, and return it to the school office tomorrow. No names are needed on the survey. We will use your responses to help us plan our program for next year.

We also invite you to make every effort possible to attend our February P.T.F. Meeting, February 7th at 5:30 p.m. I would be delighted to see each of you here. If you cannot attend, please pray for a productive meeting. This is an excellent time to start thinking about how you might serve on the P.T.F. Board for next year. Please bring your ideas on how we can end this year on a "high" note. Let's enjoy an hour together dialoguing about our school and how we can make it even better.

Just another reminder, our Accreditation Visiting Team will be on our campus to validate our school program March 19-21st. We ask that our entire school family pray that the Team will feel welcomed and appreciated. If you are on campus during their visit, please give them a warm Grace welcome. May blessings and peace be yours.

Sincerely,

Pearlie Davis, Principal
